

## Julian Frost-Wilson – Head Chef, Epsom Downs Racecourse

For the past 24 years I have worked in the Catering industry, providing high quality corporate hospitality and customer service to a wide range of clientele including: one of the world's most prestigious car manufacturers, one of the largest blue chip organisations worldwide, Twickenham Stadium – home of the English rugby and most recently at Goodwood Racecourse and Motor Circuit – one of the country's quintessentially English estates and home to the Festival of Speed, the world's largest motoring garden party.

I have been working with Compass Group UK & Ireland for the past 6 years and decided to join the Jockey Club sector at Epsom Downs to expand my horizons and continue to work within a group placing high value in excellence, commitment, collaboration and a prosperous and sustainable future for British horseracing.
